

Awakening the Creative

with Stewart Cubley

Awakening the Creative

is an unprecedented journey into the wild territory of painting directly from intuition. It's a leap beyond the predicted and expected - a venture into color, form and image where no rules apply.

Join **Stewart Cubley**, cofounder of The Painting Experience in San Francisco and author of *Life, Paint & Passion*, along with **Annie Danberg** in the discovery of an extraordinary resource: the vibrant, driving force of your own creative spirit.

Awakening the Creative

appeals to people who are interested in the dimensions of the artistic/creative, the healing/therapeutic and the meditative/spiritual.

*I*n this workshop, everyone is a beginner; people from all levels of experience are welcome, including those who have never picked up a paintbrush. The goal is free - expression, with the emphasis on the creative process rather than on technique or expertise. You will be given the environment, methods, facilitation, and overview with which to embark on the greatest of all human journeys - embracing your own path and confidently following it.

*F*or nearly two decades, Stewart Cubley has inspired and supported the recovery of the creative spirit in workshops and seminars throughout the world. Stewart and his staff are a group of professionals with extensive experience working on the front lines of human change and transformation, and they have made a difference in the lives of countless people who are interested in exploring their full range of possibilities.
