**Discover an extraordinary resource:
the vibrant, driving force
of your own creative spirit.**

In this workshop, everyone is welcome – even if you have never picked up a paintbrush. The goal is free expression, with the emphasis on the creative process rather than technique.

The Painting Experience is an opportunity to embark on the greatest of all human adventures—embracing your own path and confidently following it.

“I can’t thank you enough for this painting process. It has changed everything. This way of painting is endlessly fascinating, even the difficult parts such as not knowing where to go next. It’s letting go of the known and venturing into unfamiliar territory.”
